

Find Dialog

When clicking the search button in the Enhanced Data Navigator, a dialog as shown below appears.

The Find dialog box is titled "Find" and contains the following elements:

- Find:** A text field containing "9/1/2001" with a dropdown arrow.
- Match:** A group box containing seven radio buttons:
 - ☐ Less Than (<)
 - ☐ Less Than or Equal (<=)
 - ☐ Equal (=)
 - ☒ Greater Than or Equal (>=)
 - ☐ Greater Than (>)
 - ☐ Partial Match (strings only)
 - ☐ Soundex (strings only)
- Direction:** A group box containing two radio buttons:
 - ☐ Up
 - ☒ Down
- Column To Search:** A list box containing the following items: Flight Date, Aircraft, Ident, Route, Duration, Day Landing, Night Landing, Night, Instrument, Sim Instrument, Number of Approaches, and Simulator. "Flight Date" is selected.
- Buttons:** "Find Next" and "Cancel" buttons are located in the top right corner.

Figure 1. Find Dialog

Select the Column to search (Spreadsheet Style Log used in this example), the data to search for (top left), and the type of search desired.
