Enhanced Data Navigator

Figure 1. Enhanced Data Navigator (EDN)

At the bottom of the Spreadsheet Style entry systems, such as Certificates, Ratings, History, and Spreadsheet Style Logbook areas is an optional enhanced data navigator (EDN), which can be hidden from clicking the blocked URL icon on the sub-toolbar.

The functions of each button on the EDN are described below:

	First Record
	Previous Page
	Previous Record
	New Record
	Cancel Changes
	Save Changes
	Delete Record
	Add Bookmark
	Clears Bookmarks
	Displays Popup Menu of Bookmarks
	Displays Find Dialog
	Searches in Up/Previous Direction
	Searches in Down/Forward Direction
